WHAT IS CAMP BBYO?

Camp BBYO, known as Shorashim, is BBYO UK's annual summer camp and provides Jewish teenagers with the best summer they could hope for! Our camp ruach and amazing activities are truly memorable and transformative for Jewish teenagers and will make summer 2025 their best yet!

The name Shorashim, meaning "roots" in Hebrew, reflects our mission to provide a life-changing camp where members plant their roots and establish their connection with BBYO, forming deep friendships, creating lasting memories, and engaging in meaningful Jewish experiences.

BBYO creates an environment at Shorashim that enables all participants to feel welcome, supported, and part of a wonderful community. That's why our participants tell us that when they attend Shorashim, they truly Find their Home at BBYO.

FINANCIAL ASSISTANCE

We do our best to ensure that nobody misses out on our experiences due to finance, so if you want your teen to attend Camp BBYO but you require financial assistance, please don't hesitate to get in touch with Ricky via rkaplan@bbyo.org.uk.

WELLBEING

The wellbeing of our participants is our top priority, and Shorashim helps teens build their confidence and resilience. To ensure your teen is supported, BBYO will have support staff on-site to look after their needs, including a trained Welfare Officer and a Designated Safeguarding Lead (DSL). Moreover, our volunteers will receive wellbeing training prior to camp.

TRAVELLING TO CAMP

BBYO will organise travel for participants to and from our campsite. For the majority, this will likely be a coach; however for some this could involve other forms of chaperoned travel, depending on your location.

CAMP ACTIVITIES & EXPERIENCES

During Camp BBYO we will be offering a range of activities and experiences, including elective tracks, a traditional Shabbat experience, themed activities and games, outdoor adventure activities, evening events and separates activities.

* THEMED ACTIVITIES

These are programmes that are planned and delivered by our volunteers. All BBYO UK programmes focus on at least one of BBYO's core programme themes which are Tradition, Leadership, Social Action, Wellbeing, Israel & Judaism, and we pride ourselves in giving teens a high quality programme throughout camp.

* ELECTIVE TRACKS

These are programmes that focus on a particular skill or interest. Examples from previous camps include dance, sport, Israel, wellbeing and much, much more. Before camp participants are asked to rank their choices and we do our best to give everyone their first or second choice.

* SHABBAT EXPERIENCE

Our Shabbat experience will offer teens a unique, immersive opportunity to engage with Jewish customs and traditions on their terms. They will have the chance to familiarize themselves with the rituals of Shabbat while exploring a variety of traditions, creating a personal connection to shabbat and Judaism.

* EVENING EVENTS

These are either run by our site leaders or our volunteers, and examples from previous camps include a Talent Show, Pyjama Movie Night, Gameshow Night, Last Night Disco, and much more!

* SEPARATES ACTIVITIES

These activities split the group based on gender identity and provide a safe space to express themselves, learn traditional chants and more! Please note a safe space is provided for all gender identities.
